

REMARKS:

Entry of the foregoing and reexamination and reconsideration of the subject application, as amended, are respectfully requested in light of the remarks which follow.

Claim 1-42 were previously cancelled and claims 43-73 were indicated as allowed in the Notice of Allowability mailed on March 3, 2006.

By the present amendment, new claims 74 and 75 have been added. Support for claims 74 and 75 may be found throughout the specification, for example in the paragraphs bridging pages 5-6 and 13-14. Claims 43-73 have been found to be allowable, and it is believed that claims 74 and 75 are also allowable for at least the same reasons.

CONCLUSION:

From the foregoing, further and favorable action in the form of a Notice of Allowance is believed to be next in order and such action is earnestly solicited.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully requested to telephone the undersigned so that prosecution of the application may be expedited.

Respectfully submitted,

BUCHANAN INGERSOLL PC
